Judge Trials

I am writing to you in regard to my current/previous motions for extensions. I keep writing for extensions because due to the fact my facility USP Coleman 2 is only holding a certain amount of inmates, at a time for an hour or a half an hour (3 times a week) we cannot utilize the law library/education department let alone have an unit.

This is why I keep asking for extensions because I can't work on my case I hope you understand

Respectfully

Jeffrey Terrell
